Ms. Sheri Tierney, Recording Secretary

New York, New York 10012

Dear Ms. Tierney:

I just wanted to drop you a line to thank the Village Independent Democrats, and you in particular, for your resolution supporting the Flynn-Dearie Tenant Protection Legislation.

During the coming months, the support of the Village Independent Democrats will be crucial in helping the fight for this critical legislation. I look to progressive, pro-tenant organizations such as the VID to take the lead in organizing tenants around this issue.

Enclosed please find a copy of the Report of the Assembly Cities Committee, of which I am Chairperson. I think you will find some of the other issues I've been active in also of interest to you.

Again, thanks.

Sincerely,

  
JOHN C. DEARIE  
Member of the Assembly
