NOTICE OF
WATCH FOR ANOTHER
~~SENIOR~~ SENIOR CITIZEN SEMINAR

AGING + GERIATRICS, SENIOR CITIZENS

AMERICAN GERIATRICS SOCIETY (AGS) (Aging)

10 Columbus Circle

New York, N.Y. 10019

Edward Henderson, M.D., Executive Director

Founded 1942 - Members 10,000 - Staff 3. Professional society of physicians, physiotherapists, occupational therapists, social and well-

fare workers, superintendents of hospitals and homes for the aged and others interested in problems of the aged. To encourage and promote the study of geriatrics; to stress the importance of medical research in the field of aging. Publication: Journal of the AGS, monthly. Convention/Meeting: Annual - 1972 Apr. 5-6, New York City.

ASSOCIATION FOR THE ADVANCEMENT OF AGING RESEARCH (AAAR)

309 Hancock Bldg.

Phone: (213) 746-6019

University of Southern California

Los Angeles, Calif. 90007

Dr. Bernard L. Strehler, Exec. Chm.

Founded 1968 - Members 15 - Staff 1. Professionals in the field of gerontology and lay persons. Intends to organize and support expanded research efforts into the fundamental biological origins of aging and the effects of aging on the quality of existence in later life. Programs include: Survey of research needs and programs to examine the various specific mechanisms of aging; organization of an "information bank" on aging research; symposia on the molecular biology of the aging process.

FOUNDATION FOR AGING RESEARCH

810 Williams Ave

Phone: (212) 949-1040

Brooklyn, N.Y. 11207

Dr. Benjamin Schloss, Pres.

Founded 1965 - Staff 6*. Individuals and groups interested in "sponsoring scientific research for the control of aging." In process of organization. Activities include talks, meetings, and dissemination of information for education, and organizational and coordinating work for accelerating research. Formerly: (1965) Society for Anabiosis; (1965) Society for Biosis.

GERONTOLOGICAL SOCIETY (GS) (Aging)

One Dupont Circle, Suite 520

Phone: (202) 659-4698

Washington, D.C. 20036

Edwin Kaskowitz, Exec. Dir.

Founded 1945 - Members 3600 - Staff 10. Physicians, physiologists, psychologists, anatomists, biochemists, sociologists, botanists, psychiatrists, pharmacologists, geneticists, zoologists, endocrinologists, administrators and others interested in improving the well-being of older people by promoting scientific study of the aging process, publishing information about aging, and bringing together all groups interested in older people. Committees: Education; Public Policy; Research. Sections: Biological Sciences; Clinical Medicine; Planning and Practice; Psychological and Social Sciences; Social Research. Publications: (1) Journal of Gerontology, quarterly; (2) The Gerontologist, quarterly. Convention/Meeting: Annual - 1972 Nov. 2-4, Cleveland, Ohio; 1973 Nov. 8-10, Miami Beach, Fla.; 1974 Oct. 30-Nov. 2, Portland, Ore.

INTERNATIONAL ASSOCIATION OF GERONTOLOGY (IAG) (Aging)

c/o N.W. Shock

Phone: (301) DI 2-5400

Baltimore City Hospital

Baltimore, Md. 21224

N.W. Shock, Pres.

Founded 1950 - Members 42. National gerontological societies in various countries. To facilitate and expand research and professional education in all aspects of gerontology (the study of aging and problems of the aged). Research Committees: Applied Social Research; Biology; Medicine; Psychology and Social Sciences. Publication: Proceedings and news published in The Gerontologist, publication of the Gerontological Society, quarterly. Convention/Meeting: Triennial - next 1972 July 2-7, U.S.S.R.

NATIONAL GERIATRICS SOCIETY (NGS) (Aging)

10400 Connecticut Ave., Suite 300

Phone: (301) 933-5550

Kensington, Md. 20795

Founded 1953. Public, voluntary, and proprietary institutions providing long-term care and treatment of the chronically ill aged; includes hospitals, sanitariums, homes for the aged, nursing homes, and similar institutions that have a geriatrics program in whole or in part; staff heads and other individuals are non-voting members. Promotes maintenance of proper operational standards and qualified administration of facilities caring for the aged thus to serve the best interests of the community. Cooperates with public, voluntary, and private agencies in matters pertaining to geriatric education; assists and advises members in the solution of problems peculiar to geriatric institutions.

Conducts clinical studies and reports (medical and rehabilitation). Maintains registry of approved and accepted facilities caring for the aged. National Qualifying Board rules on acceptance of new members and fitness of old members. Committees: Editorial; Educational; Lecture; Membership. Publications: Geriatric Institutions, bimonthly; lay and professional papers and reports; newsletters; Nursing Procedures Manual. Convention/Meeting: Annual - always in May (places undecided).

AGING RESEARCH INSTITUTE (ARI)

342 Madison Ave.

New York, N.Y. 10017

Dr. Edward Henderson, President

Founded 1953. Formed to engage in, encourage, and support research studies of the fundamental aspects of the aging process in man, including studies of the embryonal, mature, and aging cells, in all their phases. Also is concerned with research in the prevention, diagnosis, and treatment of diseases of advancing years and in furthering the work of doctors engaged in geriatric research and in the practice of clinical geriatrics. Formerly: (1968) American Geriatric Research Foundation. Holds annual meeting.

AMERICAN AGING ASSOCIATION (AGE)

c/o Denham Harman, M.D.

Phone: (402) 541-4416

University of Nebraska Medical Center

Omaha, Neb. 68105

Denham Harman, M.D., Chm.

Founded 1970. Laymen and scientists (most in the biomedical field). Dedicated to "helping people live better longer" by promoting biomedical aging studies directed toward slowing down the aging process, informing the public of the progress of aging research and of practical means of achieving a long and healthy life, and increasing knowledge of gerontology among physicians and other health workers. Committees: Coordinating; Medical Education; Research. Convention/Meeting: (Symposium) Annual.

NEW ENGLAND PROJECT ON EDUCATION OF THE AGING (NEPEA)

Program in Gerontology

Phone: (401) 792-2440

University of Rhode Island

Kingston, R.I. 02881

Muriel B. Wilbur, Ph. D., Dir.

Founded 1967 - Staff 3. Founded by the University of Rhode Island and the New England Center for Continuing Education of the University of New Hampshire "to increase the number of people involved in education of the aging in the New England area; to develop a process of identifying adult educators and other leaders in a position to participate in education of the aging, providing them the necessary training and maintaining their interest and involvement; to add to the body of knowledge about education of the aging through information from careful records and evaluation of the above." Consults with people working with the aging, maintains a library on education of the aging, and conducts seminars and monthly meetings, at which such topics as "Marketing and the Elderly" and "Feedback and Funding" are discussed. Publication: Education of the Aging, monthly.

AGING + GERIATRICS, SENIOR CITIZENS

GOLDEN RING COUNCIL OF SENIOR CITIZENS CLUBS (Aged)
22 W. 38th St. Phone: (212) 947-2019

PATIENTS' AID SOCIETY (PAS)

509 Fifth Ave. Phone: (212) 687-0890
New York, N.Y. 10017
James F. Donnelly, President
Founded 1959 - Members 5127. Physicians, lawyers, and others interested in promoting public awareness and possible legislation for better medical administrative safeguards to protect public health and improve practice of medicine by "preventing such medical abuses as unnecessary surgery, over-medication, and non-therapeutic experimentation without the individual patient's informed consent." The Society advocates laws requiring: (1) That all tissue removed surgically in any hospital be examined by a board-certified pathologist chosen by the patient, and independent of the surgeon and hospital; (2) that the signature of the doctor-in-charge be notarized to validate the patient's complete hospital record; (3) that medical records be microfilmed within 24 hours after discharge and forwarded to patient or his next of kin upon request, and/or an affidavit be given to discharged patient stating that his medical records have been signed, notarized, and microfilmed; (4) that regional medical record centers be established where microfilmed hospital records, with patient's consent, be kept permanently available for research and study. The Society "promotes and advocates the patient's right to choose his own physician and/or hospital of the branch of healing he prefers." PAS representatives testify before the legislative committees and health agencies, lecture before medical societies and public forums on radio and TV, and distribute literature on the Society's aims and purposes.

INSTITUTE FOR REALITY THERAPY

11633 San Vicente Blvd. Phone: (213) 826-2690
Los Angeles, Calif. 90049
William Glasser, M.D., Founder and Pres.
Founded 1969 - Staff 8. Board-certified psychiatrists (3), psychologists (3), social workers (2), plus numerous consultants in a variety of related fields. Established to teach reality therapy to people who are involved in the helping professions and who wish to use this technique in their practice. "Reality Therapy is a here and now based method of working with individuals and groups which emphasizes the responsibility of the individual for his own behavior. Reality Therapy stresses the need for the professional to become responsibly involved with the person with whom he is working. This relationship then creates a basis for commitment for that person and for the freedom which comes from this responsibility." The Institute offers training courses, seminars, lectures and consultation services to institutions or individuals. Holds annual one-week seminar in August.
