Dear Friend:

Asian Americans for Equality (AAFE) is hosting its 14th Annual Chinese New Year Celebration Banquet on February 27, 1988 at the Silver Palace Restaurant in New York City.

As part of the celebration, we will again publish a souvenir journal which will portray the positive image and achievements of Asian Americans in this country. It will be distributed at the banquet and mailed to all advertisers as well as to various leaders in government, business and cultural institutions.

In order to make this event a success, we need your support which can take the form of advertisement in our journal or cash contributions. All contributions will be tax deductible, and your generosity will be much appreciated by the community.

Please fill in the enclosed advertising form, and return it to us at your earliest convenience, no later than February 8, 1988. We are grateful for your past support and look forward to your continued involvement.

Prime New York's lists contain the voter history for all of New York City's registered Democrats since 1984. We have even collected records from the voter archives to assure the best possible information. You can order lists, labels, cards or disks. We'll carrier route and match phone numbers at competitive rates. Call Jerry Skurnik or Stuart Osnow at (212) 730-0833 so

we can help you determine what your campaign's needs are.

Targeting

New York City is a community of diverse interests. The well planned campaign knows what to say and to whom they want to say it. Let Prime New York help you fine tune your message and

create the most effective literature and mail plan.

About Prime New York

Jerry Skurnik and Stuart Osnow established Prime New York to make the lists they use available to campaigns and candidates, the way they are needed, accurate, updated, with all the needed information in format that is easy to use.

A crew of over twenty researchers compared the most recent list of registered voters available from the Board of Elections with the buff cards in each county. The result is a prime voter list more current than any other available on the market today.

City Election Financing Laws

The new law sets contribution and spending limitations for City Council and Board of Estimate races. Careful budget planning is critical for prospective candidates. Funds raised in 1988 may not be used in 1989. The wise planner can save 1989 dollars by purchasing Prime New York Prime Voter lists before December, 1988. You can have up to date lists now for use next year and not effect you 1989 campaign budget.

Call Prime New York

When you are ready to plan your campaign, call us. Not only can we help you with lists, but we can manage your artwork, printing, mail and distribution. IN FACT, YOU'RE ENTIRE CAMPAIGN. We work with campaign managers or directly with the candidate to plan strategies and budgets.
