MARIO CUOMO IS A LEADER. IN THESE TIMES, WHEN SOME ARE TESTING THE WINDS OF ALLEGED POPULAR SENTIMENT, OUR GOVERNOR STANDS TALL FOR THE PRINCIPLES AND COMPASSION THAT HAVE DEFINED THE DEMOCRATIC PARTY FOR FIFTY YEARS.

CONGRATULATIONS TO
THE VILLAGE INDEPENDENT DEMOCRATS

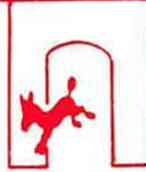

I want to applaud the political leadership you have demonstrated which has been at the forefront of the major issues that affect our city.

We have fought together in efforts to pass a lesbian and gay rights bill in the city and state, improve housing, stop Westway, support a nuclear freeze and elect Governor Mario M. Cuomo, who we are proudly honoring tonight.

I look forward to our continued alliance in the quest to improve the quality of life for all New Yorkers.

**HELP SEND AN AMBULANCE
TO THE PEOPLE OF NICARAGUA!**

The followers of former dictator Somaza are committing murder, rape, arson and are inflicting injuries on Nicaraguans who want nothing more than to earn their bread and to determine their own destiny.

We, the veterans of the Abraham Lincoln Brigade, know that if Hitler, Mussolini and Franco were alive today, they would support the "Contras". To our regret and horror, these forces get most of their support from the CIA.

As the first Americans to fight against the Fascist Axis in Spain, we were beneficiaries of medical aid from the people of the U.S.A. Today, we ask for your support in donating a much needed, fully equipped ambulance to the people of Nicaragua.

The ambulance will be named for Dr. Edward K. Barsky, the American surgeon who devoted much of his life aiding the wounded in Spain and the refugees of the Franco regime.

Join with us in this humanitarian effort to save lives. Please send your check for as much as you can to:
