We are the Committee to Save Most Holy Redeemer Historic Church

This weekend is the Feast of Most Holy Redeemer.
It has been over 10 months since the doors of our church were locked.
Systematic elimination of churches is a pattern that threatens ALL churches.
We will gather outside the church to demand it be reopened.

Join us and learn how you can help!

Join parishioners, elected officials,
the East Village Community Coalition (EVCC),
the Lower East Side Preservation Initiative (LESPI)
and Village Preservation.
